Locate MultiPlan facilities and practitioners nationwide at MultiPlan's website, www.multiplan.com, 24 hours a day, seven days a week. You can choose from acute care and ancillary facilities, as well as family practitioners and specialists. You can even print a map with directions to the facility or doctor's office.

Visiting Your Practitioner

Whenever you or a dependent receive care from a participating MultiPlan practitioner just present your health benefit identification card, which contains the MultiPlan logo. This will inform the practitioner that you participate in the MultiPlan healthcare network.

Getting Your Doctor In-Network

If your current doctor is not under the MultiPlan network, you may nominate your doctor for participation in the network by either submitting the nomination form (next page) directly or by having your physician submit the nomination form to the address indicated.
